Ideal qualifications
- Masters degree in appropriate field
- Teacher Certification and three years experience in instructional field
- Successful experience in teaching Coding and Computer Science, ideally with IB Computer Science and/or AP Computer Science Principles or AP Computer Science A or equivalent
- For the right candidate, potential for a department head role
- Experience using standards based grading prefered
- International teaching, boarding school, or similar residential life experience preferred
- Experience in coaching or leading extracurricular activities
- Computer proficiency with Mac OS, Google Classroom
- Excellent organization and strong communication skills
- Experience in promoting principles of Diversity, Equity, Inclusion and Justice within the community or learning environment

Reports to
- For academic matters: Dean of Academics
- For student life and residential life matters: Dean of Students

Goals and Objectives
- Teach and model the LAS Mission Statement - *Developing innovative, compassionate, responsible citizens of the world* - and LAS Learner Profile in and out of the classroom.
- Lead student learning which is accessible to multiple English language levels and learning styles, promotes reflection, and encourages student responsibility for learning.
- Organize safe and engaging classroom, dormitory, and activity environments that promote student-centered individualized learning, internationalism and mutual respect, and high academic and personal standards.
- Collaboratively plan course and program delivery based on school learning outcomes, educational policies, and a holistic view of student learning.
- Model positive approaches to learning through displaying cultural sensitivity, maintaining collegial relationships, and participating in processes for reflective professional development.

Professional Responsibilities (*from sections 3, 4, 5 of the Faculty Handbook)*
- Teach 5 class sections (or equivalent)
- Provide regularly-scheduled extra help sessions for academic classes as per bell schedule
- Utilize the PowerSchool program to keep class gradebooks and take daily attendance and to submit marking period/semester grades and comments according to established deadlines
- Serve on residential duty team as dormitory supervisor, campus rover, or other assigned role
- Act as Faculty Family "parent" through organized activities and regularly scheduled meetings to monitor the academic and social adjustment of assigned "children" (students)
- Participate in the School's Cultural Trip program twice per year
- Supervise activities or coach sports as part of our after-school program
- Attend regular faculty, campus, residential, and departmental meetings
- Fulfill other professional duties as outlined in the Faculty Handbook

Contact
Please send a CV and cover letter, along with contact details for 3 references (one of whom is the current Head of School/Principal) to employment@las.ch.
